

Binod sir's First English Class

On 3rd of April, It was Binod sir's first English class,
He was too angry like hot water being in a glass!
Everyone stood and wished him too loud,
And then you will know that the class was covered with black
cloud!

He told us to be quiet and to open the book,
And to his most favourite student, Amanat, he gave a suspicious
look!

And to one of the students, he told to read a sentence,
And there, he found one of the difficult words called 'fence'

Sir asked Amanat the meaning of Fence,
Amanat said to sir, "Sir which city is present fence",
Binod sir said, Stupid, You said the wrong tense,
And added to this was the hearing of his phrase, ***non-sense!***

Bibek then stood in his place and said in loudly, Sir what is the
time,
Sir then again said, Sit down nonsense!
Asked he, Why sir why, Have I committed any crime,
Sir said, sit down idiot, non-sense

To everyone, Sir then started asking previous class's English mark,
And as always, We had listened from our mothers horrible bark,
Arpita stood up and said that she had got seventy-nine,
And, unexpectedly, seventy-three marks were mine!

Binod sir as a teacher is very good,
But that day, why we don't know, he angrily stood!
No one can be like Binod sir as he teaches so good,
But if you don't want to hear *nonsense*, kindly don't disturb his
mood 🤦🤦 – Namish Kumar (Student of DAV Balasore, 9 C)
