

1. The devil language of Odia

Ha ha ha I am Odia, I will cut everyone's marks,
Then from your mothers, you will listen their barks,
I am odia, Who is intended for difficult test,
And I don't care, I will always cut whoever is best!

Ha ha ha I am Odia, I am difficult to learn,
Because of me, Marks are difficult to earn!
Ha ha ha I will make your parents scold,
And your face will be soon very cold and no longer be
bold!

Ha ha ha I am Odia, A language of devil,
Reading me will make me your evil!
Children will be beaten, Tears will come,
And I will make you cry in such a way that there will be
cold's syndrome

Ha ha ha, I am Odia, that everyone hates a lot,
But Nilesh, a student of brilliance and excellence, likes it
a lot!

Ha ha ha Now I am Odia, A subject that everyone fears a
lot,
But now, everyone's marks will be cut a lot
